About Us

Registration services for agrochemicals

Under the leadership of ToxMinds BVBA and S.H. Consultancy, TriAgro is a newly formed coordinated network of scientific and regulatory consultants to meet the needs of the agrochemicals sector in the European Union. TriAgro stands for the three expert service areas that we offer to the agrochemicals industry: technical consultancy, regulatory strategy and dossier compilation (core dossiers, national addenda).

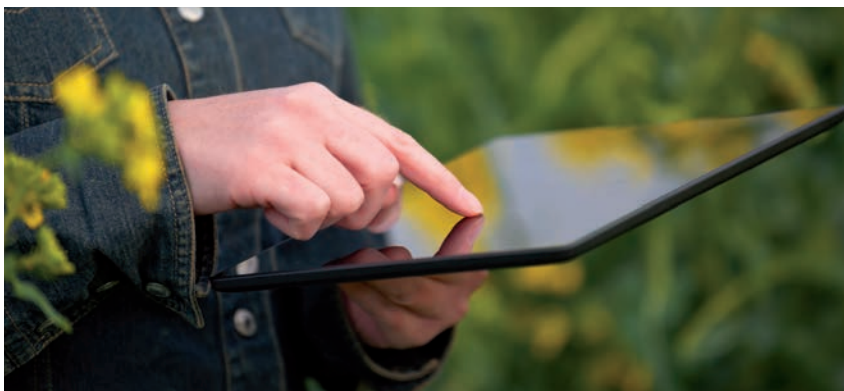

We would be happy to help you meet your scientific and regulatory challenges. Please contact us to learn more about TriAgro:
